## Sneak Peek

Did you know... I love teaching kids to draw! I have instructed several classes and had so much fun that I am going to do a FACEBOOK live FREE event on how to DRAW a horse on a farm. All your child needs is a pencil or pen and a piece of paper.

FACEBOOK LIVE:

Saturday, 17 July at 1000!

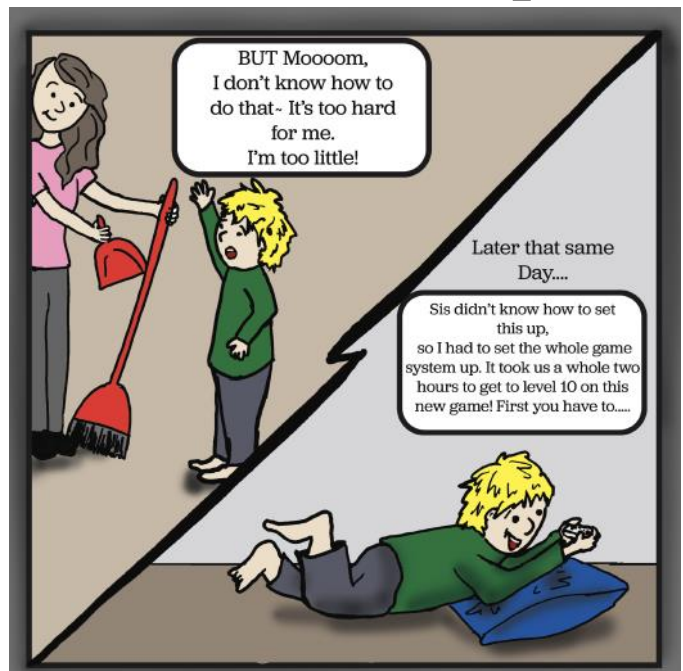

## Author Inside Scoop

We are almost done with our move, just in time as Mary Boone will soon be done editing "Be Brave Little Bee". There is so much to be done to launch in time. So I am glad to be back at it soon.

By the way, I LOVE how this month's FREE coloring page printable turned out. My kids even colored them! Hope yours love it too!
